TACKERS

Tackers is an introductory, fun, games based sailing program designed by Australian Sailing for kids aged 7 – 12. Kids interested in doing the Tackers Program don't require any previous sailing experience. Tackers is taught in purposely built and designed Ozi Optis, which only have one sail and are made of plastic which makes them a great boat for young children.

There are 3 courses in the Tackers Program:

Tackers 1: Having Fun

Tackers 2: Tricks and Techniques

Tackers 3: Sailing Fast

LEARN TO SAIL

Learn to Sail sessions are run each Sunday; these sessions run in line with the school semester. The courses are taught in 3.7m Vagabond dinghies with both a jib and a main sail. Dinghies are ideal for juniors to learn the basics of sailing and racing, however are equally suitable for adults.

There are 3 courses in the Learn to Sail Program:
